

Wednesday 1st May 2024

Dear Parents/Carers

In Nursery our topic this half term is 'Animal safari & creep, crawl and wiggle'. We are going to be talking about the different animals/pets and why we love them.

We would kindly ask you to bring in a photograph of your child with their pets, so the children can talk about the animal in the picture. If your child does not have any pet, please do not worry, bring any picture of their favourite pet or just ask your child to draw one.

Please can you bring in or send via email to: nursery@williambyrd.school. the photographs by **Monday 6th May** with your child's name on the back.

If you have any further questions, please do not hesitate to speak with me.

Yours sincerely
Ms K. Wierciszewska
Nursery Teacher
