Re: VIB's

Dear Parents and Carers

As some of you may or may have not noticed, the booking system for VIB's After School Care has changed.

Moving forward you will continue to pay via ParentPay as normal. However, to confirm your booking, you must e-mail VIB's directly confirming the following:

. Child's name & class

. Parent/Carer contact number

. Dates and times you require

. If your child has an allergy or receives medication

Our e-mail address is: vib@williambyrd.school

If you have anu further questions, please do not hesitate to speak with us.

Kind regards

VIB's Team
