THE LAST WOLAS PUBLIC OBSERVING EVENT OF 2026

VIEW THE NIGHT SKY FROM RUISLIP LIDO

Once again the West of London Astronomical Society invites you to observe the Moon and stars.

Friday 13th Nov - Sunday 15th Nov 2026.
Time 6.00 pm to 8.00 pm.

The first quarter Moon will be in the sky and Saturn with its rings will be very well placed; the jewel in the night sky. The Andromeda Galaxy, Seven Sisters and Double Cluster are amongst the many other objects in the sky.

Bring your family and friends to this FREE event - members of WOLAS will be on hand with a variety of their telescopes and will be able to answer any questions you may have.

Don't forget to wear warm clothing, and bring a torch. To avoid dazzling observers, please limit the brightness of your torch to your phone's light or equivalent and point it down when on site.

The Turntable Tea Room will be open and there are toilets next to it.
