

OUR CORE VALUES

OUR CURRICULUM

We are committed to providing high quality remote learning for all children and we have planned a challenging, engaging and exciting curriculum again for this half term. Our remote provision will enable our pupils to continue to master the core skills and embed knowledge whilst exploring new themes and topics. Our Five Guiding Powers continue to underpin our learning. Lessons will be a blend of video lessons from Oak Academy, our own teachers' video lessons and our own learning tasks. Children will receive regular written feedback on their work from their class teacher and they will have the opportunity to take part in 'live' feedback sessions to address any gaps or misconceptions and make improvements.

COMMUNICATION AND LANGUAGE

This term we will be developing our vocabulary by speaking in full sentences, reading a variety of books and retelling stories using story maps. We will be learning vocabulary related to our topics.

PERSONAL, SOCIAL AND EMOTIONAL DEVELOPMENT

Through learning our 5 Guiding Powers, we will be making friends, working and playing happily. We will be learning about our classroom rules and encouraging each other to make good choices.

PHYSICAL DEVELOPMENT

We will be developing our fine motor skills, learning how to hold a pencil and to form letters from our names. We will be learning how to use scissors safely and make snips in paper. We will be developing our independence by putting our coats on by ourselves.

LITERACY

This term we will be looking at different stories on Oak academy. We will listen to different stories, learn to retell the story and change and then retell it again. We will be developing confidence to talk about the stories and what is happening in them.

MATHEMATICS

This term we will be looking at numbers and matching them to different quantities as well as beginning to put them in order. We will be learning how to write numbers and looking at making patterns using different objects around the house.

UNDERSTANDING OF THE WORLD

This term we are going to focus on the weather and how it changes over time. We will talk about things we can use to keep us warm as well as what we would need if it is hot.

EXPRESSIVE ARTS AND DESIGN

This term we are going to be create and making different things related to winter. We will also dance to different types of music and move in different ways.
