We will be discussing different types of habitats that they live in. There are hundreds and thousands of different animals, from mammals who need oxygen to breathe, to animals like fish who have gills to help them breathe underwater. There are even animals called molluscs, some can create their own light in the depths of the ocean where it's dark. Let's get started!</p> <p>You will need a piece of paper and a pencil to write in.</p>	<p>Judaism</p> <p>To write an essay about Judaism (Part 1)</p> <p>In today's lesson, we will be writing an essay about Judaism. You will need to write all about what makes Judaism unique as a religion, which will give you a chance to apply everything that you have learnt in this unit!</p> <p>You will need a piece of paper and a pencil to write in.</p>	<p>James and the Giant Peach</p> <p>Listen to the next two chapters of James and the Giant Peach.</p>

Please photograph your work and send it to your class teacher using your class email address by 4:00pm for marking and feedback.
