WHOLE CLASS ZOOM CALL	READING	WRITING	PSHE	ARITHMETIC	ASSEMBLY
<p>Each week we are going to join at this time to ask questions about our learning from the week and have a chance to see each other.</p> <p>Join your class's zoom meeting!</p>	<p>Summarise Today, we are going to use a combination of our practised skills in order to conclude or summarise a piece of text – this means we need to pick out the main points. We also have another Disney clip because I know how much you enjoyed the last one!</p> <p>Video clip link - Finding Nemo-Turtle Scene</p> <p>Ms Shinhmar's Group You are starting a new module today! Click here to follow Ms Shinhmar's reading lesson for module 9.</p> <p>Please login to Bug Club to read a book. Please read this book several times with an adult. You will need the school code: wiby</p> 	<p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER </p> <p>To practise using non-finite clauses In this lesson, we'll prepare to write our descriptive opening by learning all about non-finite clauses. These will help us to add variety to our writing and start our sentences in diverse ways.</p>	<p>Community Care In today's lesson, you will understand what a community is, explore the different types of communities (place, interest, action and practice) and consider the benefits of being a part of one.</p>	<p>Mixed Skill Quiz This is an opportunity for you to show off what you've been learning.</p> <p>Work out the questions on paper or in your book before selecting the correct answer from the multiple choices.</p> <p>Ideally you should finish this in 10-15 mins. Try and beat your score from last week!</p>	<p>Please watch this video and listen to an assembly with Ms Hudson.</p>

Please photograph your work and send it to your class teacher using your class email address by 4:00pm for marking and feedback.
