<p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER </p> <p><u>Core Group</u></p> <p>Retrieval Watch this video and complete the work as you go pausing when necessary</p> <p><u>Ms Shinhmar's Group</u></p> <p>You will be carrying on with your RWI modules. Watch this video.</p> <p>Reading Ms Shinhmar group</p> <p>Please log into Bug Club to read a book. Please read this book several times with an adult. </p>	<p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER </p> <p>To effectively use words connected to feeling surprised</p> <p>In this lesson, we will introduce new vocabulary, identify word pairs and synonyms and apply the vocabulary in sentences.</p>	<p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER </p> <p>Summarise what we know about area and perimeter</p> <p>For this you will need to remember that the perimeter is the distance around a shape. Make sure you have a length for every side of the shape.</p> <p>Area is the space inside the shape.</p> <p>There are some shapes where you need to break a compound shape into 2 rectangles to be able to find the area.</p> <p>There is no new video for this lesson. Refer back to previous lessons and your previous work to help you.</p> <p>Core maths activity</p> <p>Extension maths activity</p>	<p>Why do birds lay eggs?</p> <p>In this lesson, we will learn about the life cycle of a bird, particularly focusing on a chicken.</p> <p>We will also look at the differences between a hatchling, nestling and fledgling.</p> <p>We will discuss and label the anatomy of a chicken egg. Finally, we will discuss strategies which birds use to attract mates.</p>	<p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER </p> <p>Subtracting fractions</p> <p>Please continue your work subtraction fractions by watching this video and then completing the task.</p> <p>Arithmetic work activity</p> <p>Sometimes you will need to multiply both fractions to ensure they both have the same denominator before you subtract them.</p>	<p>Passover</p> <p>Today, we are starting a brand-new topic – Passover! Watch this video to learn about what Passover is and about the special meal it includes!</p>

Please photograph your work and send it to your class teacher using your class email address by 4:00pm for marking and feedback.
