| <p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER </p> <p>A.P.E Inference</p> <p>Today, we are going to use our skills of retrieval and words in context to answer complex inference questions, using our technique of A.P.E. Listen to Miss Morris explain the technique, then have a go yourself.</p> <p>Ms Shinhmar's Group</p> <p>Click here to follow Ms Shinhmar's reading lesson for module 8. This is the first lesson of this module so you will need to download the new module booklet.</p> <p>Module 8 booklet.</p> <p>Please login to Bug Club to read a book. Please read this book several times with an adult. You will need the school code: wiby</p>  | <p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER </p> <p>To generate vocabulary to describe a setting</p> <p>In this lesson, we will be diving into The Viewer and looking closely at a picture from the opening of the text. We will learn how to generate vocabulary to use when writing a descriptive opening.</p> <p>When you have generated your nouns and adjectives to describe those nouns with Mr Brown, you are going to write a 2 paragraph description to send to your teacher. This is going to be our mini write and I will be giving you video feedback on Monday which you will use to edit this work.</p> <p>Here is the picture if you want a closer look.</p> | <p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER </p> <p>Birds in the local area</p> <p>As part of The Big Schools Winterwatch, turn in for this live lesson at 11am. Learn some skills to help you get outdoors and find out more about birds where you live.</p> <p>Then complete this and send it back: Big Bird recording sheet</p> | <p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER </p> <p>Your teacher will have emailed you earlier in the week telling you whether you are in Group A or Group B.</p> <p>Group A</p> <p>Adding and subtracting Fractions 3</p> <p>We will continue our unit on adding and subtracting fractions – using pictorial representations to help us.</p> <p>Watch the video and then complete this work.</p> <p>Group A maths work.</p> <p>Group B</p> <p>Fractions as operators</p> <p>Watch the video and then complete this work.</p> <p>Group B maths work.</p> | <p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER </p> <p>Finding Percentages</p> <p>In this lesson, we will be looking at how to find percentages of amounts.</p> <p>Watch these videos before completing your worksheet.</p> <p>Part 1 Part 2</p> <p>Arithmetic worksheet.</p> | <p>The first nine plagues of Egypt</p> <p>Today, we are continuing our studies of Passover and we are going to look deeper into our story about the powerful Pharaoh and the Israelites. We are going to look specifically at the nine plagues and explore whether or not it was fair for God to do this? Click on the title to watch my teaching and then the video clip below when I tell you to!</p> <p>Video clip link - (376) The First Nine Plagues of Egypt - A Faith Kids Bible Story Video - YouTube</p> |

Please photograph your work and send it to your class teacher using your class email address by 4:00pm for marking and feedback.
