READING	WRITING	MATHS	PROJECT	ARITHMETIC	RE
<p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER </p> <p>Summarise Today, we are focusing on our skill of Summarising, which looks at choosing the main points/events of the story and concluding these. We are also going to find out what happens in our story and finally find out how the Gorm arrived – How exciting!</p> <p>Starter video clip - Remy Cooks Ratatouille</p> <p>Ms Shinhmar's Group Click here to follow Ms Shinhmar's reading lesson for module 9.</p> <p>Please login to Bug Club to read a book. Please read this book several times with an adult. You will need the school code: wiby</p> 	<p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER </p> <p>To generate vocabulary for a diary entry</p> <p>In this lesson, we will be generating vocabulary to use when writing a diary entry. We will be focusing on how to generate adjectives for key nouns, and then moving this on to adding verbs and adverbs to describe what a character might be doing at a certain point of the story.</p>	<p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER </p> <p>Group A Subtracting fractions Watch the video and then complete this activity with scaffolded pictures.</p> <p>Complete this maths activity.</p> <p>Group B Problem solving with fractions We are going to do things backwards today! Complete these fractions problem solving questions first, THEN watch my video which shows how to solve them!</p> <p>Complete this maths activity.</p>	<p>What impact do gears, levers and pulleys have on forces?</p> <p>In this lesson, we will first aim to understand the purpose of simple machines. We will then focus on gears, levers and pulleys to find out how they work and how they can be useful. We will also complete some questions throughout the lesson which will help us check our understanding.</p>	<p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER </p> <p>Multiplying fractions by numbers</p> <p>Today, we will be practising the skills that we have been learning by multiplying fractions with mixed and whole numbers.</p> <p>Watch the video and then complete the worksheet.</p> <p>Have a go at some reasoning and problem solving! Fractions x numbers PS and R</p>	<p>Thinking about Freedom</p> <p>Today, we are going to gather all of our knowledge we have on pass over and our story to begin thinking about what freedom is, and how it relates to us in our everyday lives.</p>

Please photograph your work and send it to your class teacher using your class email address by 4:00pm for marking and feedback.
