	READING	WRITING	ARITHMETIC	PROJECT	MATHS	PSHE	DAILY STORY
  <p>You should have all received your usernames and passwords for Times Tables Rock Stars.</p> <p>Try logging in today and see if you can beat your teachers https://ttrockstars.com/ (also available as an app).</p> 	<p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER</p> <p>In today's video lesson you will be reading through chapter 1 again and answering inference questions which you then need to take a picture and send to your teacher, we will go through the answers at the beginning of tomorrow's lesson. Click here for the lesson slides.</p> <p>Miss Shinmar's Group To analyse a character In this lesson, we will use inference questions to analyse the main character in the book.</p> <p>Please login to Bug Club to read a book. Please read this book several times with an adult.</p> 	<p>Today we will be continuing our writing unit with Jane Considine and the text, "The Lost Thing."</p> <p>Our video lesson will focus on onomatopoeia, precise verbs and dialogue.</p>	<p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER</p> <p>Miss Naulls, Miss Panesar and Miss Virdee's Groups In today's video lesson, we are going to consolidate our knowledge of factors, multiples and prime numbers. You can follow along with the PDF here.</p> <p>Mrs Brown's Group In today's lesson we will be recapping and applying our skills on ratio and notation in problem solving questions.</p>	<p>How sustainable is my community? In this lesson, we will be thinking about how sustainable London is compared to Curitiba and Freiburg.</p>	<p>Miss Naulls and Miss Panesar's Group In today's video lesson, we will continue to explore algebra by consolidating our knowledge on how to find pairs of values. You can follow along with the PDF here.</p> <p>Miss Virdee's Group Fractions: Recognising equivalent fractions (Part 2) In this video lesson, we will continue to explore fractions with different denominators and numerators that are equal to each other, focusing on thirds and sixths.</p> <p>Mrs Brown's Group In today's video lesson we will be building on our knowledge of measures both imperial and metric and using this knowledge to solve problems involving conversion of different types of measures. Click here for the lesson slides.</p>	<p>In this video lesson you will be looking at safety signs outside and know their importance. Laws will be explored and children will watch a police officer being interviewed. You will end the lesson by creating your own rules.</p>	<p>End your day of amazing work by getting cosy and listening to one of the Year 6 Teachers or LSA's read a chapter of a book!</p> <p>Our current book is: Millions by Frank Boyce Contrell</p> <p>Today, you will be listening to Chapter 3 read by Miss Virdee.</p>

Please photograph your work and send it to your class teacher using your class email address by 4:00pm for marking and feedback.
