READING	WRITING	ARITHMETIC	PROJECT	MATHS	MUSIC	DAILY STORYTIME
<p><b>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER</b></p> <p><a href="#">Click here to watch today's reading lesson.</a></p> <p><b>Miss Shinmar's Group</b> <b>To engage with a text</b> In this session, we will read the text. This text focuses on themes surrounding divorce.</p> <p>Please login to <a href="#">Bug Club</a> to read a book. Please read this book several times with an adult.</p> 	<p><b>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER</b></p> <p><a href="#">In today's video lesson</a>, we will continue to write our narrative on the Lost Thing while exploring adverbial phrases, repetition for effect and exclamation!</p> <p><b>Please submit your writing to your class teacher today, as we will be using today's work for our writing feedback lesson on Wednesday.</b></p>	<p><b>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER</b></p> <p><b>Miss Naulls, Miss Panesar and Miss Virdee's Groups</b> <a href="#">In today's video lesson</a>, we will go over the 4 operations using fractions and we will apply them to word problems. <a href="#">You can follow along with the PDF here.</a></p> <p><b>Mrs Brown's Group</b> <a href="#">In this arithmetic lesson we will be recapping at division and problem-solving in a range of different contexts.</a></p>	<p><b>What impact have humans had on plants and animals?</b> In this lesson, we will look at how humans have changed over time and use the theory of evolution to explain these changes. Learning how to make and use tools, shelter, fire and language has enabled humans to spread all over the world. We will start to look at the impact that humans have had on some species of plants and animals. You will need a piece of paper and a pencil for this lesson.</p>	<p><b>Miss Naulls and Miss Panesar's Group</b> <a href="#">In today's video lesson</a>, we will explore Imperial measures and how they compare to the metric measures that we have been learning about. <a href="#">You can follow along with the PDF here.</a></p> <p><b>Miss Virdee's Group</b> <b>Calculate the perimeter of composite shapes</b> <a href="#">In this lesson</a>, we will learn how to calculate the perimeter of composite shapes.</p> <p><b>Mrs Brown's Group</b> In this <a href="#">video lesson</a> we will be revisiting volume and using our knowledge and skills to solve problems involving volume. <a href="#">Click here for the lesson slides.</a></p>	<p>In Miss Chambers <a href="#">video lesson</a> this week we will be practising our rhythm reading and developing our listening skills by exploring further recordings of classical music.</p>	<p>End your day of amazing work by getting cosy and listening to one of the Year 6 Teachers or LSA's read a chapter of a book!</p> <p><a href="#">Listen to Miss Naulls read Chapter 13 of Millions!</a> What do you think will happen next?</p>

Please photograph your work and send it to your class teacher using your class email address by 4:00pm for marking and feedback.
