<p><b>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER</b> </p> <p>In today's video lesson you will be answering inference questions, we will go through some together and then you will work independently, using the <a href="#">A.P.E sentence stems</a>. <a href="#">Click here for the lesson slides</a>.</p> <p><b>Miss Shinmar's Group</b> In today's video lesson the objective is to answer questions on the text (Part 2) In this lesson, we will answer questions on an extract from the second chapter.</p> <p>Please login to Bug Club to read a book. Please read this book several times with an adult.</p> 	<p><b>To analyse quotes from the script</b> In this video lesson, we will recap what we have learnt so far about the play Macbeth. We will then look at Act 1 Scene 3 when Macbeth meets the witches on the heath. During this section of the play, we will analyse and unpick any Shakespearean language that is unfamiliar and explain the meaning.</p> <p><b>Miss Shinmar's Reading Group (B2) To write a recycled story with a problem that matters (Part 2)</b> In this video lesson we will write about our character being told that they are something different to what they believe. We will make our problem matter by using our problem toolkit to support us.</p>	<p><b>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER</b> </p> <p><b>Miss Naulls, Miss Panesar and Miss Virdee's Groups</b> In this video lesson we are going to go over long division. <a href="#">You can follow along with the PDF here</a>.</p> <p><b>Mrs Brown's Group</b> In today's lesson we will be perfecting our rounding skills and rounding up to 3dps.</p> <p>11am - RSPB Big School's Bird Watch!</p> <p><b>We will be joining in the RSPB Big School's Bird Watch!</b> To find out what we need to do we will be watching a special video and recording data to support the work of this organisation.</p>	<p><b>Are biomes all equally fragile? (Part 1)</b> In this lesson, we are going to be learning about the threats that the forest biomes across the globe are facing. We will learn about the outcomes or consequences of these threats on the biomes' flora and fauna, as well as the impact on us as humans. We will conclude the lesson by considering which of the three forest biomes is the most fragile and why.</p> <p>Please complete the <a href="#">quiz</a>.</p> <p><b>ADDITIONAL READING LESSON with Miss Fraher</b></p> <p><b>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER</b> </p> <p>In this lesson we will focus on proving or disproving a statement about character or setting by finding evidence in the text.</p> <p><a href="#">Please read the slides and follow along with the questions</a>.</p> <p>Please complete the questions and the <a href="#">independent activity</a> in your workbook.</p>	<p><b>Miss Naulls and Miss Panesar's Group</b> In today's video lesson, we will explore substitution and how to use expressions to solve numerical problems. <a href="#">You can follow along with the PDF here</a>.</p> <p><b>Miss Virdee's Group</b> <b>To Identify and describe non-unit fractions</b> In this video lesson, we will use our knowledge of fractions to understand what the term 'non-unit fraction' means. We will explore various shapes and begin to identify the non-unit fraction that is represented.</p> <p><b>Mrs Brown's Group</b> In this video lesson we will be looking what skills are needed and how to apply them in our lesson on scale drawing. <a href="#">Click here for the lesson slides</a>.</p>	<p>In this video lesson we are building on the work we have done so far looking at Buddhism. Today we will look at the celebrations of Buddhists around the world.</p>

Please photograph your work and send it to your class teacher using your class email address by 4:00pm for marking and feedback.
