READING	WRITING	ARITHMETIC	PROJECT	MATHS	MUSIC	DAILY STORYTIME
<p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER </p> <p>In today's video lesson you will be completing words in context questions via the Quiz. Our text this week is Harry Potter and the Prisoner of Azkaban- Chapter 1 by J. K. Rowling. A personal favourite of Miss Panesar's.</p> <p style="text-align: center;">QUIZ</p> <p>Miss Shinmar's Group</p> <p>To engage with the text In the lesson, we are going to engage with a new text and practise strategies for understanding unfamiliar vocabulary.</p> <p>Please login to Bug Club to read a book. Please read this book several times with an adult.</p> 	<p>Today, everyone will be starting a new unit with Jane Considine, using the animated story, "The Lost Thing."</p> <p>Today's focus will be on using time fronted adverbials, ambitious adjectives and repetition for effect.</p> <p>A few notes about our new lesson series:</p> <p>These videos are longer than the previous ones as they are designed to have you write lengthy pieces of writing each day – a requirement for Year 6</p> <p>You will be instructed to set up your page a certain way each lesson. Please follow the guidelines in the video</p>	<p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER </p> <p>Miss Naulls, Miss Panesar and Miss Virdee's Groups In today's video lesson, we will explore factors, multiples and prime numbers through a variety of different activities. You can follow along with the PDF here.</p> <p>Mrs Brown's Group In today's lesson we will be working on developing our skills to simplify fractions and looking more closely at different types of logic puzzles.</p>	<p>How did Freiburg become more sustainable? In this lesson we will be learning about a German city named Freiburg. We will be learning about how it has become a city that has thought about its long-term environmental impact and has developed sustainable practices.</p>	<p>Miss Naulls and Miss Panesar's Group In today's video lesson, we will continue building our knowledge of algebra by exploring how to solve simple two step equations. You can follow along with the PDF here.</p> <p>Miss Virdee's Group Compare and order unit fractions In this video lesson, we will explore the size of different unit fractions. We will compare and order these fractions, focusing on their denominators before we apply this knowledge to compare unit fractions of the same quantity.</p> <p>Mrs Brown's Group In this video lesson we will be looking further at our knowledge of missing number calculations or equations and how to apply them in different problem- solving situations. Click here for the lesson slides.</p>	<p>Today's video lesson with Miss Chambers builds on the work you have been doing in the last few weeks with rhythm and beat.</p>	<p>End your day of amazing work by getting cosy and listening to one of the Year 6 Teachers or LSA's read a chapter of a book!</p> <p>Our first book will be: Millions by Frank Boyce Contrell</p> <p>Today, you will be listening to Chapter 1 read by Miss Naulls.</p>

Please photograph your work and send it to your class teacher using your class email address by 4:00pm for marking and feedback.
