READING	WRITING	ARITHMETIC	PROJECT	MATHS	Music
<p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER </p> <p>In today's video lesson you will be answering retrieval questions for Coraline - Chapter 2. Click on the link to answer the questions.</p> <p>Miss Shinmar's Group To answer questions on the text (Part 1) In this video lesson, we will answer retrieval and inference questions on the opening chapter.</p> <p>Please login to Bug Club to read a book. Please read this book several times with an adult.</p> 	<p>Please complete both of the writing lessons for today:</p> <p>1) To plan the setting description In this video lesson, we will use a clip from Shakespeare's Animated Tales and pictures from the clip to plan adjectives, verbs, adverbs, figurative language and adverbial phrases for each section of the clip.</p> <p>2) To practise writing complex sentences In this video lesson, we will investigate what complex sentences are and look in detail at adverbial and relative complex sentences.</p> <p>Miss Shinmar's Reading Group (B2) To box up for a purpose In this video lesson, we will box up our story from beginning to end with a focus on character and problem. We will draw a picture for each stage and then write a short summary of events.</p>	<p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER </p> <p>Miss Naulls, Miss Panesar and Miss Virdee's Groups In today's video lesson, we will go over how to read and understand the place value in a decimal number. We will then use that knowledge to order decimal numbers. You can follow along using the lesson slides.</p> <p>Mrs Brown's Group In today's lesson we will be learning to convert between different units of measure, using length, weight and volume measurements.</p>	<p>How are biomes being damaged? In this lesson, we are going to be learning about global warming and climate change. We will learn about how climate change, predominantly caused by human activity, is putting the world's biomes at risk.</p> <p>ADDITIONAL READING LESSON with Miss Fraher</p> <p>THIS WORK WILL NEED TO BE SENT TO YOUR CLASS TEACHER </p> <p>In this lesson we will focus on making developed inferences drawing on evidence from the text and wider personal experience.</p> <p>Please read the slides and follow along with the questions.</p> <p>Please complete the questions and the independent activity in your workbook.</p>	<p>Miss Naulls and Miss Panesar's Group In today's video lesson we will continue working on algebra, moving onto how to use a function machine to solve problems with 2-step rules. You can follow along using the lesson slides.</p> <p>Miss Virdee's Group In today's lesson, we will continue to focus on unit fractions by finding fractions in different contexts. We will use pictorial representations alongside multiplication and division facts to solve a range of problems.</p> <p>Mrs Brown's Group In today's video lesson we are looking at ratio and proportion. How to interpret the information and calculate proportion. Click here for the lesson slides.</p>	<p>In this video lesson with Miss Chambers, we are going to be having a look at a piece of music you may be familiar with: 'Hy Jim Along' tapping to the rhythm and beat before trying different actions.</p>

Please photograph your work and send it to your class teacher using your class email address by 4:00pm for marking and feedback.
