

# HAVE YOUR SAY ON HEATHROW

If Heathrow Airport affects you,  
CISHA is here to help.

## WHO WE ARE

An independent body  
set up to scrutinise  
Heathrow's actions  
and impact, and to  
hold the airport to  
account.

We work with local  
communities and  
stakeholders to  
understand the  
issues that matter to  
them and ensure they  
have a voice.
