Young Carers are children and young people aged from 5 – 25 years old who help to look after someone in their household who has a disability, mental or physical ill-health or misuses substances. This could be a child caring for a sibling with autism, a mother with depression, a father with cancer or even a grandparent with dementia.

MIDDLESEX
LEARNING
PARTNERSHIP

Dear Parents and Carers,

Carers Trust Hillingdon is delighted to be working with insert William Byrd Primary_School through our Young Carers in School Project.

The aim is to identify as many Young Carers as possible, provide information, advice and support the Young Carers and their families.

Young Carers are children and young people aged from 5 – 25 years old who help to look after someone in their household who has a disability, mental or physical ill-health or misuses substances. This could be a child caring for a sibling with autism, a mother with depression, a father with cancer or even a grandparent with dementia.

We are a registered charity and our aim is to reduce the impact that caring can have on a young person by providing free trips and activities, youth clubs, workshops and support for young carers in school through 1:1 or small group work.

We would like to invite the parents and Carers, from William Byrd Primary School to a coffee morning to offer you the opportunity to learn more about our services and to answer any questions you may have. If you think that you may be a parent of a young carer or are a parent of a young carer who is already being supported at school we would love to see you.

If you have any questions or concerns, please contact Mrs Houston
elsa@williambyrd.school

The Coffee afternoon will be held on 26th November at 2.30pm

We are looking forward to meeting you all.

Regards

Amanda Hampton
