Dear Parents and Carers

We would like to remind families that, in line with our School Uniform Policy, children should not wear nail polish, gel nails, acrylic nails, nail extensions or any other nail products to school.

We kindly ask that all nail products are removed before children come to school.

Please note that if a child attends school wearing nail varnish that can be removed using nail varnish remover, we will ask our Medical team to remove it during the school day.

We would also like to remind parents/carers that extreme hairstyles or razor cuts/shaved patterns are not permitted in school, in line with our uniform and appearance expectations.

Children should also be in the correct school uniform and school shoes. Further details can be found on our school website: www.williambyrd.school

We appreciate your support in helping us maintain consistent expectations across the school community.

Kind regards

William Byrd Primary School
