

November 2025

PROPOSED 20MPH SPEED LIMIT ON VICTORIA LANE AND HUDSON ROAD, HARLINGTON

As part of the Council's ongoing work to improve road safety and safe access, particularly outside schools, the London Borough of Hillingdon has been working on the proposals for a reduction of the speed limit outside William Byrd Primary School.

A plan has been drawn up for residents to inspect and the statutory consultation period will run from 11th November to 3rd December 2025. A formal notice will appear in a local paper as well as street notices displayed on site during this time. Plans indicating the proposed layout is attached to this letter for your convenience.

Your views are valuable so we welcome any comments you have and would like to receive them by 3rd December 2025. Please write to the postal or email address at the bottom of the page and include your address to help us analyse all responses.

The results of this statutory consultation will be reported to the Cabinet Member for Planning, Housing & Growth and following consideration of the comments received will decide either to proceed with the scheme as proposed, to proceed with the scheme but modified in places, or to withdraw the scheme.

If you would like further information or clarification please contact me, Sophie Wilmot on 01895 558391.

Yours sincerely,

S. Wilmot
