Dear Parents/Carers

Re: Reading Support for Parents/Carers of Children in Reception

Reading is a skill that we continue to develop throughout our lives. Beginning this process as early as possible has significant benefits for children's future success as readers.

Parents and carers play a vital role in helping children become fluent and confident readers who can apply their reading skills across all areas of learning.

To help you understand how we teach phonics, we would like to invite you to observe your child's phonics lesson.

During the **week beginning 21st September**, you will have the opportunity to see a phonics lesson in action. Please use the sign-up sheet displayed on your child's classroom door to indicate which day you would like to attend.

Lessons will begin promptly at **8:50am** and will last approximately **40 minutes**.

We strongly encourage all parents/carers to take advantage of this valuable opportunity.

Thank you for your continued support.

Yours sincerely

Reception Team
