

E-mail to Nursery Parents/Carers – 14.09.26

Dear Parents/Carers

Over the next two weeks, our theme will be “Me and My Community”

The children will be learning and talking about themselves, their families, the people they love and the people who care for and help them. We will also explore our local community and learn about different people who help us in our everyday lives.

To support your child's learning, we would kindly ask you to send in a family photograph that your child can use to talk about the special people in their life. You can either bring a printed photograph into nursery or email it to us at: nursery@williambyrd.school

Thank you for your continued support. We are looking forward to learning more about our wonderful families and community!

Kind regards

Nursery Team
