Date : September 2026

Dear Parent/Carer,

School Health Review for Your Child

In line with the Universal School Health Services programme and following the government's recommendations outlined in the **Healthy Child Programme for children aged 5–19 (2012)**, the School Nursing Service will carry out hearing and vision screening for your child during their time in Reception.

Written consent is not required for these routine screenings. To support the delivery of the programme, class lists containing your child's name, gender, ethnicity, date of birth, address, telephone number and email address will be shared with CNWL.

If you would prefer your child **not to take part in the hearing and vision screening**, please email cnw-tr.hillingdonchildrencc@nhs.net with your child's name, date of birth and school details by **2nd October 2026**.

The hearing and vision screening will take place throughout the academic year. You will be informed of the outcome of your child's screening once this has taken place.

For further information, please visit the **Hillingdon School Nursing Service** website - www.hillingdoncyp.cnwl.nhs.uk

If you have any questions or concerns, please contact the School Nursing Service on **01895 891302** within two weeks of receiving this letter.

If we do not receive contact from you within two weeks of receiving this letter, we will assume that you consent to your child's participation in the screening.

Yours Sincerely,
Gemma West
Clinical Service Manager Children's Nursing Services

CNWL share your clinical information with other healthcare professionals involved in your care, to support better informed clinical treatment and help reduce clinical risk. A patient information leaflet is available on request from services and further details can be found on the Trust website
