Dear Parents/Carers

We are pleased to inform you about our upcoming Young Artist Summer Competition, an exciting opportunity for students to showcase their creativity and artistic talent.

Children are invited to submit original artwork with a short statement in accordance with the competition guidelines provided by the school. All entries must be completed independently by your child.

Please note that the final submission date is Wednesday 25 February. Late submissions will not be accepted.

We encourage all interested children to participate and take advantage of this enriching, creative experience. From each class, the three best pieces of artwork will be selected by the class teacher for official submission to the competition.

Further, the art will be judged by artists and art professionals, and will be displayed online and on-site at the Royal Academy of Arts.

Further details regarding submission requirements and judging criteria will be shared through the school.

Thank you for your continued support in fostering creativity and the arts within our school community.

Kind regards

Art Team
