

Wednesday 4th September 2024

Dear Parents/Carers of current Year 5 children

To start our preparations for our Key Stage 2 SATS tests, we are pleased to offer the opportunity for students to purchase a maths revision workbook that will allow them to revise and practise maths concepts that we have learned throughout Key Stage 2. We will use this book our maths homework next year (but children can use it independently to revise as well).

The workbook will cost **£6** each and can be purchased using your ParentPay account. If your child is entitled to pupil premium funding, they will receive the workbook at no cost and you do not have to place an order on ParentPay.

All purchases must be made by Monday 11th September, so the books can be ordered and ready at the start of the Autumn term.

If you have any further questions, please do not hesitate to contact your child's class teacher.

Yours sincerely

Year 6 team
