Dear Parents/Carers

Subject: Bingo Game – Supporting Lunchtime Play

During our recent Opal assembly, the children were introduced to an exciting new **Bingo Game** (please see the attached sheet). The game is part of our ongoing effort to enrich play opportunities during lunchtime.

The Bingo card includes a list of everyday items and loose parts that we are collecting to support creative and active play outdoors. Each time a child brings in one of the listed items, it will be ticked off the class's Bingo sheet. If you are bringing large items, please feel free to leave them by the KS1 gate.

The first **three classes** to collect *all* the items on their lists will win a **special fun treat** as a reward for their teamwork and enthusiasm!

We really appreciate your support in helping us develop our Opal resources — every contribution makes a difference and helps the children enjoy imaginative, active play.

Thank you for your continued encouragement and participation.

Yours sincerely
Ms J Wegrzyn
Assistant Head
