

# PARENT information

DEAR PARENT,

Dolce are your schools chosen meals provider and we are determined to offer you and your child an excellent service.

We offer exciting new menus each term which are cooked fresh from raw ingredients and allow parents and pupils to pre-order from home, on the move or in the classroom.

## PRE-ORDERING

We want you to know everything there is to know about our menus. That is why we use SchoolGrid, the award winning online pre-ordering system. Here you can see what's on offer across the whole term, including any special theme days which run throughout the academic year!

You can order flexibly, either day by day or up to a full term in advance. To help make an informed choice for your child, we provide the full ingredients list, recipe card and nutritional breakdown for each dish.

## LUNCHTIME

We aim to make lunchtime an enjoyable experience for every child. Using a touch screen, children select their names at the hot plate, displaying their meal choice to both the cook and child, along with any allergies or dietary requirements.

## Who are we?

Dolce is a family run schools catering provider with a passion for delivering good healthy food with the best customer care.

## Little Customers

Our system helps the cook to get to know each child on a first name basis, making them feel welcome at the lunch counter. For our youngest customers, the system also helps them to recognise their own name.
